

# Letter of Recommendation

By: David Keller Director Facilities Mgmt. 707-584-4257

## ROBERT D YOUNGS CONTRACTOR

---

I'm David Keller the Director of Facilities Management for Horizon. Horizon is a wholesale supplier to the Landscape and Irrigation trade. We've been located in Santa Rose for more than 30 years.

Recently we relocated our Sales Center on Todd Road. This was no small undertaking as we needed to move and yet stay open to provide the service our customers have come to depend upon.

This is where Robert D Youngs, Contractor came to the rescue. Robert and his extensive team of associates provide everything required to make the move a reality ON TIME and ON BUDGET!

I can't even begin to explain all the benefits Robert provided and the level of details he took on in the process. Suffice it to say he never let us down. First and foremost he "*took the time*" to understand the work that needed to be performed and his proposals were crystal clear and very detailed on the work his team would complete. There was never any question as to what would get done at what price.

The scope of work that Robert took on included hiring and coordinating the efforts of a large number of sub-contractors and vendors that provided the services necessary to make our move seamless. Again this was no small undertaking and included, engineering, architectural drawings, energy consulting for permit documents required by the County of Sonoma. He also took it on himself to work closely with the Material Handler we contracted with to install our Modular office spaces, display and pallet racking.

*Robert's team produced beautiful results that exceeded many of my expectations. Just to name a few of the companies on his team that made our move possible:*

- Kent Engineering
- John A Jones Architect
- Sol-Data Energy Consulting
- Raynor Electric
- KS Kustom Signs
- Storage Equipment Systems

*If you are looking for an honest, dedicated, trustworthy contractor that has everything it takes for your project look no further.*

David Keller
